Hi, I'm Whiskey! I am an energetic 63lb. bold bubbly youngster! I am playful, smart, and a social butterfly! I'm your typical busy-bee 1 ½ year old pup who is curious about the world and would love to go on adventures with my forever family. I'd enjoy a confident leader who can teach me more commands since I am a quick learner and eager to please my humans. I walk well on a leash and know 'sit' and 'down' too. My hobbies are cuddling, giving kisses, and showing everyone my precious stuffed toys. I just completed my heartworm treatments, so I can start exercising more soon! So, if you are looking for a young, active, strapping young lad, come visit me at Paws Place
